## PROFESSIONAL SUMMARY

As a junior software developer, I am eager to invest myself in a dynamic, fast-paced development position. I am a bright critical thinker with strong communication and analytical abilities. I excel at working under pressure with a flexible, positive attitude. Over the course of the past few years, I have consistently committed to improving my skills through on-the-job learning and development

## EXPERIENCE

### Duvy's Media, UX/UI Web Developer, Project Manager

Aug 2022 - PRESENT

- Attracted users to websites with attractive, user-friendly designs and clean code for high-performance operation.
- Executed programming projects adhering to coding standards, design styles and project management methodologies.
- Detected problems provided by client's feedback and implemented solutions.
- Created accessible web front-end user interfaces with a combination of HTML, SQL and PHP.
- Experienced with project management, team management and working well with people on a daily basis.

### Bais Yaakov Derech Hatorah — Teacher

Sep 2020 - Jun 2022

- Communicated frequently with parents, students and faculty to provide feedback and discuss instructional strategies.
- Kept students on-task with proactive behavior modification and positive reinforcement strategies.
- Fostered team collaboration between students through group projects.

### Teen Talent, Cleveland — Camp Director
